

SUMMER GIFTED AND TALENTED PROGRAM

PROGRAM RUNNER APPLICATION 2017

Thank you for your interest in returning to Dominican University's Summer Gifted and Talented Program as a **Volunteer Program Runner**. Program alumni of Summer Gifted are eligible to apply as Program Runners and earn community service hours for High School, as well as the development of soft skills and meaningful resume building work experience! As successful graduates of Summer Gifted, Program Runners are an esteemed group of role models and student leaders, welcomed back to campus to serve as classroom and program helpers, "running" all over campus to assist teachers with class supply needs; to welcome and escort students to class, PE, early dismissal, or restroom facilities, etc.; to help sort and distribute t-shirts and tote bags; and to staff the Gifted Office as needed.
